Neighbourhood Watch

A Neighbourhood Watch Facebook page has been created to advertise crime prevention advice for the Dursley and District area. Under the Facebook name 'Dursley and District Neighbourhood Watch Facebook page' we aim to pass out information on crime within the area, as well as providing information on how to decrease your chances of becoming a victim.

Dursley Neighbourhood Team would like to personally thank the volunteers who are willing to use their time and effort to run this site and make a difference in helping reduce crime and anti-social behaviour within the area that they live. Their commitment in this scheme is greatly appreciated.

Working together we can build a safer, stronger community

PCSO Oliver Clark educating the young Dursley residents about 'Stranger Danger' and 'keeping safe'

Apologies for any noise.....they had to have a go at pressing the siren.

On Thursday 29th and Friday 20th September PCSO Joshua Griffiths, Special Sergeant Andy Staples, Special Constable Laurie Merchant and Special Constable Jasmine Smart were on duty in Dursley Town centre with the mobile police station, policing Sixth Form events at Capones. Over 200 students attended the event each day, and officers were on hand to provide reassurance and safety for the local residents of the town, as per our winter priority. Dursley Neighbourhood Policing Team would like to thank the Special Constabulary for volunteering to assist with this event.
