

The zigzag markings are there to protect your children.

**BE SEEN, BE SAFE**

If the car saw the child from this far away (12m) it might just stop in time.

Driving at 20mph it takes 12 meters for your vehicle to come to complete STOP.

Driving at 30mph would be almost double the stopping distance!

**YOU ARE RESPONSIBLE FOR YOUR ACTIONS.  
DON'T LET A CHILD FROM ST JOSEPH'S  
SCHOOL PAY THE PRICE.**

It has been highlighted to local police that parking at your school is causing unnecessary obstructions, hazards and risk to your children. We the local police and St Joseph's School want to keep your children safe.

Please park considerately when collecting or dropping off your children.

- Keep Paths clear for pedestrians
- Keep junctions and driveways clear so that the local community can continue with their day without being obstructed
- Keep zig zag markings clear so your children can be seen.
- Drive at a slow steady speed

You all have a responsibility to your children and the community to park considerately, by leaving 5 minutes earlier or parking 5 minutes further away you can help reduce the risks to your children.

**THINK BEFORE YOU PARK!**

**REMEMBER – BE SEEN, BE SAFE**
