

Uley Community Stores – Evening for All
Save the Date Friday June 24th 19.30 Village Hall

The get together in the Village Hall has been rescheduled for the above date. To celebrate our volunteers and unashamedly to recruit new volunteers the Committee will be hosting a wine and nibbles event on Friday 24th June 19.30 at the Village Hall. It will be a great social occasion and an opportunity to hear more about the shop. This is not just for those that volunteer at the present but for all of you who are interested in the shop's future. This is an opportunity to discuss new ideas for the way forward.

Volunteers are the lifeblood of the shop and without them the shop would not exist. To date we have been remarkably well served by our volunteers who all do an amazing job and our continuing success depends upon maintaining our volunteer cadre

We need more volunteers and “Your Village needs You”!!

The running of the shop has been brilliantly managed by the same few people for many years. We need people who would like to volunteer to learn these roles now and in the future This includes learning about the ordering, for help with deliveries, help with our computer system, learning about how the rota system works and the other 1001 tasks that are required to keep the shop up and running . You might even want to join the Shop Committee!

There is a lot more to volunteering than standing behind the till serving and smiling but we will always need more please. You don't have to be retired to volunteer, just to be willing and able to spare some time.

All our volunteers and partners are invited to attend this social evening as is anyone else interested in devoting a few hours a week to volunteering or who just wants to learn more about our beautiful village shop.

Please sign the form in the shop if you are interested to attend to help with the catering figures and we look forward to seeing you.
